

GLOBETROTTERS RESOURCE GROUP INC. STAKES AN ADDITIONAL 17,800 HA OF NEW CONCESSIONS IN PERU IN EARLY 2016.

MAPLE RIDGE, BRITISH COLUMBIA, JANUARY 15, 2016/- GlobeTrotters Resource Group Inc. is pleased to announce that it has recently staked an additional 17,800 Ha of new mining concessions in Peru. As part of the new staking, a total of 5900 Ha were granted full license to GlobeTrotters as the sole competitor. The remaining 11,900 Ha were also staked by other parties and will be placed in private auctions over the next 6 to 8 of months.

GlobeTrotters now control a total of 38,111 Ha of mining concessions in Peru. These properties were staked by our expert team to cover large untested alteration zones in key mineral belts throughout Peru. These include the Elida, Paramonga, Esperanza, Nueva Promesa, and Pullo properties as well a several other new properties that are currently under evaluation.

GlobeTrotters Resource Group Inc. is a privately held company incorporated in 2009. The company is focused on acquiring low-cost, low-risk base and precious metal opportunities in emerging world class mineral belts throughout the Americas.
